Innovation & Inspiration

Learning

Positively impact student performance and engagement with more daylight.

ASU // Tempe, AZ // Architect: Weddle Gilmore Black Rock Studio

Brentwood Gen 7 School // Los Angeles, CA
Architect: American Modular Systems

Sunnyvale Intermediate School // Sunnyvale, TX
Architect: WRA Architects Inc.

Wall Washing

Make walls a key decorative element, visually expanding internal spaces.

Low Carbon Science Museum // Hangzhou, China // Architect: Yuehua Dong

Campbell Soup Company // Camden, NJ // Architect: KlingStubbins

Grow & Life

Turn indoor spaces into natural, organic environments.

The Cheesecake Shop // Sydney, Australia // Architect: PTI Architecture

Algae to Omega Holdings, Inc. // Oakland Park, FL // Architect: N/A

Flood lighting

Provide a shower of light from above to deliver dramatic focus.

Academies of Loudoun // Leesburg, VA // Architect: Stantec Architecture // photo credit: Stantec

Franciscan Renewal Center // Scottsdale, AZ
Architect: Westland Reed Leskosky-Phoenix

Wayfinding & Pathway

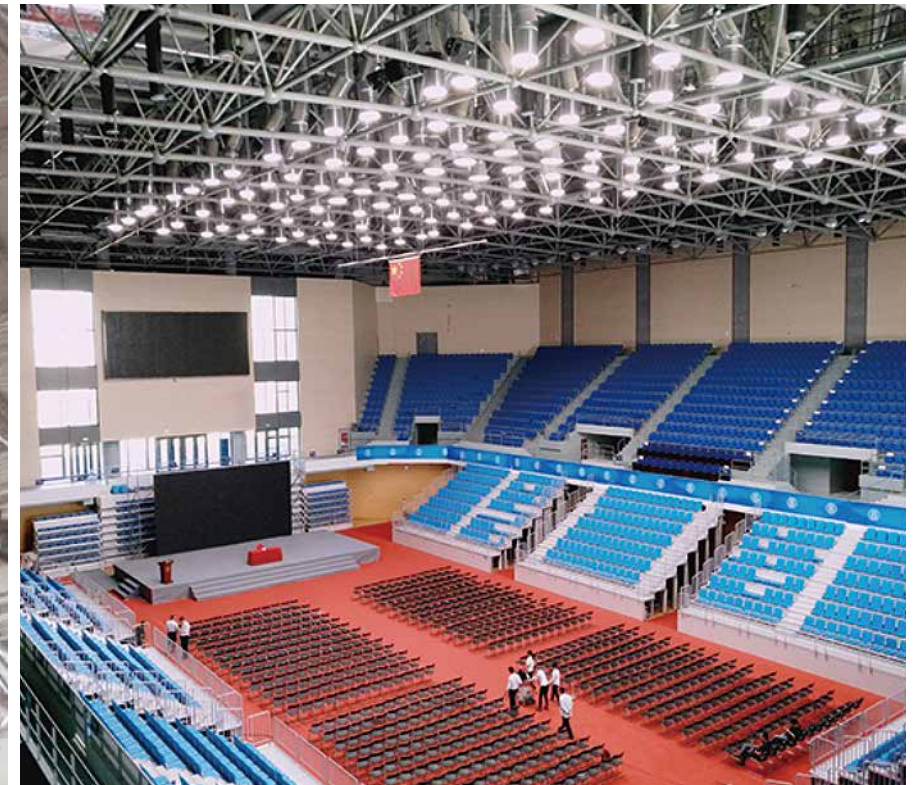

Define the way through sequential lighting.

Buford Middle School // Charlottesville, VA
Architect: VMDO Architects

Beer City // Qingdao, China // Architect: Yuhua Zhao

Beijing University of Chemical Technology // Beijing, China
 Architect: Walton Design & Consulting Engineering Co., Ltd.

Arena

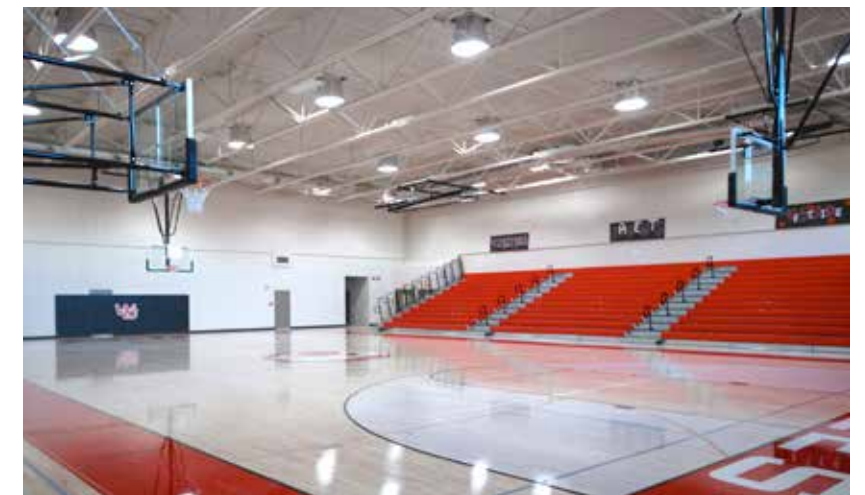

Throw light a long way
 with huge tubes to pick
 up the action.

Beijing Tennis Stadium // Beijing, China // Architect TBD

Shandong University Gymnasium // Jinan, China

Westside Christian High School // Tigard, OR
 Architect: Dull Olsen Weekes - IBI Group Architects, Inc.

Unicredit Bank // Reggio Emilia, Italy // Architect: Frigerio

Victoria & Albert Museum // Dundee, Scotland
Architect: Kengo Kuma & Associates

Waukesha Technical College // Waukesha, WI // Architect: Zimmerman Architectural Studios

Shangdong Jianzhu University // Jinan, China
Architect: Yuhua Zhao

Theatrical & Decorative

Beautify spaces with unique

and creative lighting approaches.

Mammoth Park // Viminacium, Serbia // Architect: Piramida d.o.o. Company

Subterranean

Deliver daylight deep below ground for surprising levels of illumination.

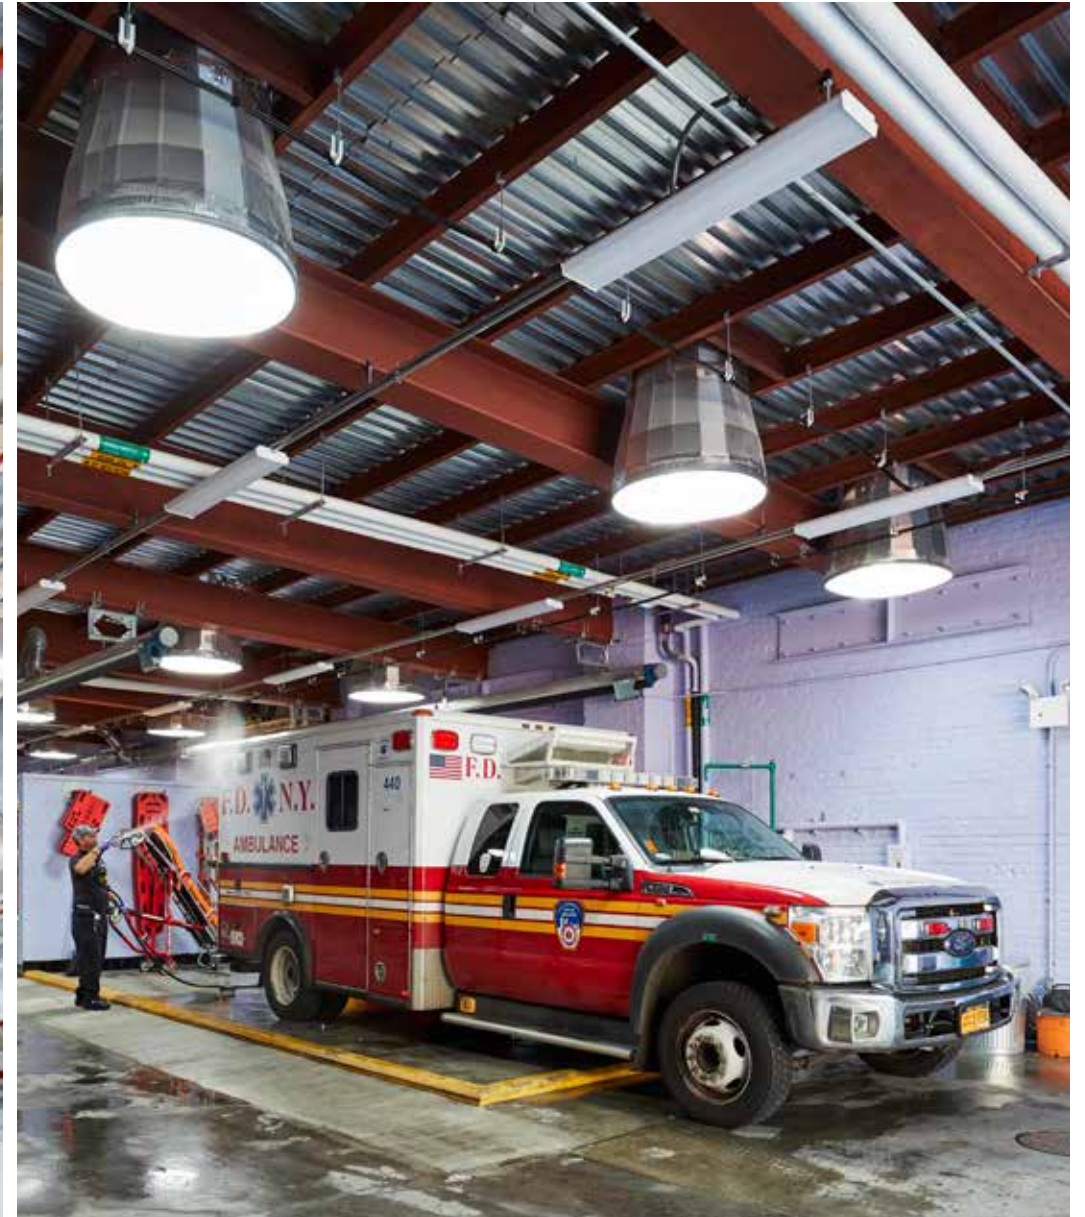

Akron COS (Combined Sewer Overflow) // Akron, OH // Architect: GPD Group/Akron Engineering Bureau

Productivity

Help everyone get more done by shedding more natural light on their work.

DPR Construction // Phoenix, AZ // Architect: SmithGroup

FDNY EMS Station #99 // Brooklyn, NJ // Architect: Ronnette Riley Architects

Bell's Brewery // Comstock, MI // Architect: Bryce & Associates

Nemetz Showroom // Orange, CA // Architect: Mark Botich

Focus Lighting, Inc. // New York, NY // Architect: Paul Bennett Architects

Color Rendition

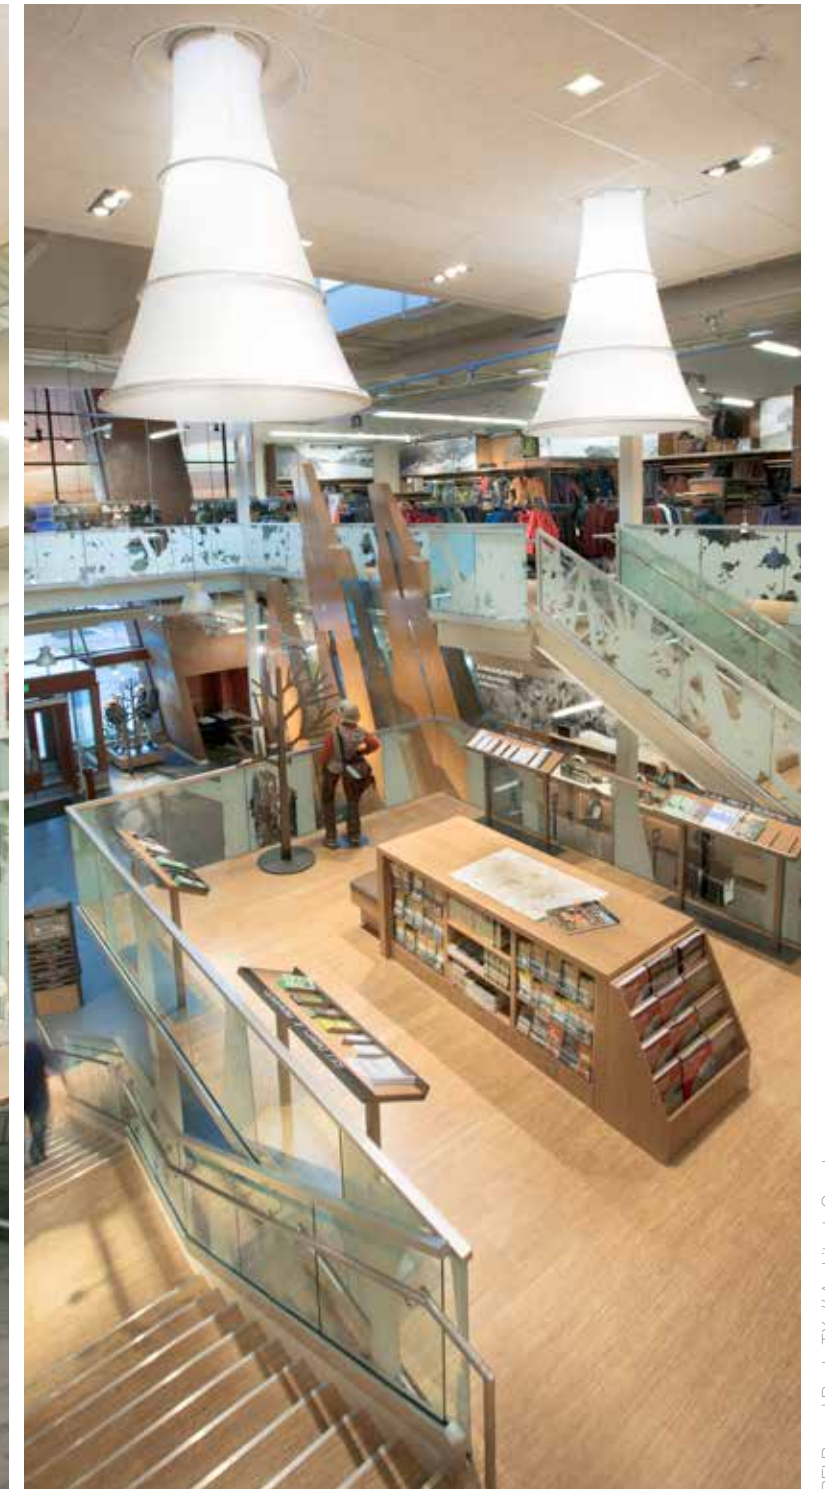

Make colors appear as they should for an accurate palette.

Merchandising

Enhance the shopping experience with natural light.

Cardiff Seaside Market // Cardiff, CA // Architect: McCabe Architecture

REI Round Rock, TX // Architect: Gensler
