Raybender® 3000 Technology
- Patented daylight-capturing dome lens
- Redirects low-angle sunlight
- Rejects overpowering summer midday sunlight
- Consistent daylighting throughout the day

LightTracker™ Reflector
- Innovative in-dome reflector
- Redirects low-angle winter sunlight
- Increases light input for increased light output
- Unsurpassed year-round performance

Spectralight® Infinity
- Most reflective tubing used in TDD’s
- 99.7% specular reflectivity*
- Purest color rendition possible
- Allows for amazing tubing run lengths of more than 30 feet

Stylish Daylight Delivery
- Form and function combine for optimal daylight diffusion
- NEW Decorative Fixtures bring the beauty of glass to your interior
- The Effect Lenses offer choices to warm or soften the light
- Add functionality with a Light Kit, Vent Kit or Daylight Dimmer™

*Specular reflectance greater than 99%, with wavelength specific reflectance up to 99.7% for the visible spectrum

Sunlight is captured by the dome and directed down into the tube.

Sunlight is directed downward through the attic.

Sunlight is distributed throughout the room.
You’ve Never Seen The Sun Like This Before

Highly effective and simple to install, the Brighten Up® Series transforms dark rooms into extraordinary spaces filled with pure, natural daylight. Now, the revolutionary Solatube technology features Glass Distractions Decorative Fixtures. The vibrancy of daylight and the elegance of glass—united.

### Ideal for:
- Bathrooms
- Hallways
- Closets
- Laundry Rooms
- Kitchens
- Living Rooms
- Dining Rooms
- Home Offices
- Entryways
- Garages
- And More!

### Add-Ons

#### Light Add-On Kit
The Light Add-On Kit provides the convenience of a switched light for nighttime use.

Universal Light Add-On Kit with Medium Screw Base accepts one 23-watt maximum fluorescent lamp for the 160 DS and two 23-watt maximum fluorescent lamps for the 290 DS.

#### Ventilation Add-On Kit
The Solatube 160 DS is available with an optional Ventilation Add-On Kit.

#### Daylight Dimmer
Because you don’t need 100% of the light 100% of the time, the innovative Solatube Daylight Dimmer easily controls the amount of daylight entering a room with the convenience of a switch. Our patented variable butterfly baffle controls the light output.

Daylight Dimmer Switch (sold separately). Multiple Daylight Dimmers can be controlled by one switch.

#### Flashings
Flashings kits are available for most roof types and pitches. They’re fabricated as a single, seamless piece to ensure leak-proof performance.

Visit our website for more details at www.solatube.com

### Decorative Fixtures & Diffusers

#### Glass Distractions Decorative Fixtures

- **AuroraGlo**
  - When the room demands a design element, AuroraGlo commands attention.

- **OptiView®**
  - The unique dazzling lens of OptiView delivers artful views of the sky.

- **VividShade**
  - The chic VividShade accents daylight with contemporary fabric.

- **JustFrost**
  - Simply stunning, JustFrost showcases sunlight in a clean, contemporary design.

- **QuadraFrost**
  - Deliver stunning daylight with symmetry and style. QuadraFrost can be arranged to complement or contrast the lines of any room.

- **Classic Vusion™**
  - The fresh design of the Classic Vusion diffuser harmonizes with most any décor.

#### Diffuser

- **AuroraGlo**
- **OptiView®**
- **VividShade**
- **JustFrost**
- **QuadraFrost**
- **Classic Vusion™**

### EDCS* (Effective Daylight Capture Surface)
- For comparison, a clear dome with no lens on a 10 inch tube system has an EDCS of 78.5 square inches.
